DETAILED ACTION

1. The supplemental reply filed on 5/2/05 was not entered because supplemental replies are not entered as a matter of right except as provided in 37 CFR 1.111(a)(2)(ii). The supplemental reply is clearly not limited to placement of the application in condition for allowance.

Election/Restrictions

2. Applicant's election with traverse of Group I, claims 1-3, in the reply filed on 4/26/05 is acknowledged. The traversal is on the ground(s) that Groups I and II are closely related. This is not found persuasive because the beverage bottling plant of Group I has a different mode of operation than the labeling station of Group II; see Restriction Requirement 3/22/05.

The requirement is still deemed proper and is therefore made FINAL.

Priority

3. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Germany on 2/18/03. It is noted, however, that applicant has not filed a certified copy of the 103 06 671 application as required by 35 U.S.C. 119(b).

Allowable Subject Matter

4. Claims 1-3 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose the claimed modular combinations with removable coupling structures operating to fill, close, inspect, and adjust the position of arrangements of containers, labeling, printing, and final inspection.

Art Unit: 3721

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

6. This application is in condition for allowance except for the following formal matters:

Claims 7-13 and 20-29 require cancellation.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher R. Harmon whose telephone number is (571) 272-4461. The examiner can normally be reached on Monday-Friday from 9-6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rinaldi Rada can be reached on (571) 272-4467. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
